Roadside Assistance

About Optimum Roadside Assistance

Optimum Roadside Assistance is provided by NCI Vehicle Rescue Plc an established UK based motor breakdown and accident recovery specialist, underwritten by Enterprise Insurance Company Plc. Cover is available for cars, commercial vehicles up to 3.5 tonnes and motorcycles.

Key benefits - putting you in the driving seat

- Three levels of cover available 'Standard Cover, Excess Cover and European Cover'
- Vehicle based cover – assist anyone driving the specified vehicle
- A variety of pricing models to provide you and your clients with ultimate flexibility including:
 - A nil excess roadside assistance range, 0 – 16 years old
 - An excess roadside assistance range, vehicle age unlimited
- 24 hour UK call centre staffed by knowledgeable, well trained specialists
- Extensions available to cover Europe

How it works:

Following a successful application and signed TOBA, Optimum Roadside Assistance will provide you with log in details to the online portal.

If an accident is responded to, Optimum Roadside Assistance will advise the brokers nominated FNOL providing that full details have been given at the agency application stage.

Please Note*:

To prevent fraudulent claims (i.e. where vehicles are already broken down) recovery will be limited to a maximum of 10 miles in the first 72 hours. Any additional mileage will be charged.

The first £40 of any claim within the first 72 hours of the commencement of cover will be charged.

Next Steps:

For further information or to apply for this facility, contact your local Blink IS Business Development Manager or email us at info@blinkis.co.uk
